NOTICE OF PUBLIC SAFETY LAW

NCCLA Order No. 09082020-A

**Abolishing and Outlawing COVID Restrictions, Mandatory Vaccinations and other
Unlawful, Unhealthy and Unwarranted Measures in Canada**

Issued by The National Council of Common Law Assemblies on September 8, 2020

LET IT BE KNOWN that the regulations in Canada that restrict free movement and association, and impose mandatory quarantines, social distancing, mandatory testing and vaccinations, and the wearing of masks, are unlawful measures, as they have been decreed by no court of law or legislature; and are medically unsound requirements that threaten and assault the fundamental liberties, health and security of all Canadians and violate the internationally recognized legal right of free and informed consent that governs all medical procedures. (*Nuremberg Code, 1947*)

THEREFORE IT IS ORDERED by the National Council of Common Law Assemblies, as the voice and defender of the people in Canada and acting in the absence of lawful, accountable government, that a) no-one is obligated to consent to or comply with any COVID regulations, regardless of what authority or individual is ordering or compelling them, and b) anyone is free to actively resist and disobey such regulations and defend their natural liberties by any means necessary without fear of legal consequence.

IT IS FURTHER ORDERED by the Council that any individual, official, body corporate or their agent that requires or imposes any of these regulations on anyone in Canada is taking part in a criminal conspiracy against the life, wellbeing and liberty of Canadians, and stands in violation of this Order. As one engaged in a crime, the offender is subject to penalties and imprisonment upon conviction by the Supreme Common Law Court established by the Council.

This Public Safety Law No. 09082020-A is issued on September 8, 2020 by the National Council of Common Law Assemblies as the voice and will of the people. This Order has the full effect and force of the Law anywhere in Canada and will be enforced by the Sheriffs of the Council. Police authorities must by law assist such enforcement or be charged with obstructing justice.
