<u>Genocidal churches evicted and banished from Vancouver</u>: Court order requires city to cancel church licensing and empowers people to seize church properties

A Global Media Statement issued on Monday, June 12, 2023

My name is Kevin Annett Eagle Strong Voice. Twenty-five years ago today, on June 12, 1998, I helped to convene in Vancouver the first public investigation into Canada's Indian residential school death camps: a Tribunal sponsored by the United Nations affiliate IHRAAM.

That Tribunal proved that for more than a century, genocide has been deliberately inflicted on indigenous children by the British Crown, the Canadian government, and the Catholic, Anglican, and United churches; and that this genocide has exterminated over 60,000 of these children and is continuing today. (<u>www.murderbydecree.com</u>)

The Tribunal was part of a grassroots movement of indigenous survivors and their allies that eventually forced the Canadian government and these churches to publicly admit to genocide in June 2008. That movement went on to prosecute and convict Canada, the Crown, the Vatican, and these churches in an international court for ongoing crimes against humanity.

As a result, under international law the Catholic, Anglican, and United churches are self-admitted and convicted criminal organizations that are prohibited from operating.

Consequently, all people and governments are legally and morally prohibited from aiding or abetting these genocidal churches. This is especially true in Vancouver, for it was here that an indigenous and court order first lawfully proscribed and banished these guilty churches because of their crimes against humanity.

On March 4, 2008, a B.C. Supreme Court Order evicted these churches from the territory of Squamish chief Kiapilano, encompassing all of Vancouver. That court order appointed me, Kevin Annett Eagle Strong Voice, as Kiapilano's fiduciary agent and gives me the legal right of entry into these churches to enforce their banishment from Vancouver.

Therefore, under the authority of that order and the lawful conviction of these churches by the International Common Law Court of Justice on February 25, 2013, I am issuing the following public notice to Vancouver's city council, police, churches, and citizens:

1. The Roman Catholic, Anglican, and United Church are convicted criminal corporations that were lawfully evicted and banished from Vancouver by a Supreme Court Order dated March 4, 2008 and issued by hereditary Squamish chief Kiapilano. The officials, employees, and adherents of these churches are therefore required to immediately vacate their premises or face citizen arrest for illegal trespass. All people must refrain from attending, funding, or associating with these churches.

2. <u>The City of Vancouver is hereby required to cancel all licensing, tax</u> <u>exemptions, and privileges enjoyed by these criminal churches</u>. If the city council and its officials refuse to do so, they will be considered and publicly charged as accessories to criminal organizations that are guilty of ongoing genocide, child trafficking and torture, money laundering, and other crimes.

3. <u>The Vancouver Police Department is required by law to enforce the</u> <u>aforenamed Supreme Court order and assist in the banishment of these</u> <u>churches from Vancouver and the seizure of their properties and assets as the</u> <u>avails of criminality</u>. The police are also required to protect citizens who are lawfully enforcing the court Order. If the police refuse to do so, they will be considered and publicly charged as accessories to criminal organizations that are guilty of ongoing genocide, child trafficking and torture, money laundering, and other crimes.

2

4. <u>The people of Vancouver are empowered under international law and are</u> <u>encouraged to seize and reclaim the properties, lands, and wealth of these</u> <u>convicted criminal churches and use them for the public welfare</u>. They can call on the Vancouver police to assist them in these actions or appoint their own common law peace officers to do so.

Therefore, I, Kevin Annett Eagle Strong Voice, call upon the public, the police, and international peacekeepers to assist me as deputized sheriffs to enforce this notification and order.

<u>I also put the City of Vancouver and its officials on public notice that they have seven</u> <u>days to comply with this lawful order or face sanctions for colluding with convicted</u> <u>criminal organizations</u>.

Copies of these notices are being presented to the named churches, the Vancouver city government and police, and the public.

Chief Kiapilano's Eviction and Appointment Order and a Public Notice of Banishment are enclosed or attached, along with summary background material.

More actions and announcements will follow.

Public Notice of Banishment and Reclamation

LET IT BE KNOWN that the Roman Catholic, Anglican, and United Church of Canada are hereby and forever evicted and banished from the City of Vancouver. Their properties and wealth are reclaimed as public assets and opened to the community for the public welfare.

This public Banishment and Reclamation is authorized by the B.C. Supreme Court Order of March 4, 2008 and the verdict of the International Common Law Court of Justice of February 25, 2013, which found these churches guilty of genocide and as convicted criminal organizations abolished their legal right to operate. *(See attached Orders)*

Therefore I, Kevin Annett Eagle Strong Voice, as the legal agent of Squamish Chief Kiapilano, the holder of traditional title over the territory of the City of Vancouver, do hereby enforce this lawful Banishment and Reclamation of these churches with the following measures:

1. The officials and employees of these churches are ordered to immediately vacate the premises of these churches or face arrest for illegal trespass.

2. The adherents of these churches and the public are prohibited from attending, funding, or associating with these criminal churches.

3. The City of Vancouver is ordered to cancel all licensing, tax exemptions, and other privileges of these churches or be named and charged as accessories to criminal bodies.

4. The Vancouver Police are ordered to enforce this order and assist in the eviction of these churches and the seizure of their properties and assets as the avails of criminality or be named and charged as accessories to criminal bodies.

5. The public is empowered and encouraged to seize and reclaim the properties and wealth of these criminal churches and use them for the public welfare. They can call upon the Vancouver police to assist them or appoint their own common law peace officers to do so.

THIS ORDER HAS THE FULL FORCE AND EFFECT OF THE LAW. IT IS A CRIME TO REFUSE THIS ORDER. Issued on Monday, June 12, 2023 in Vancouver on the territory of Squamish Siem Kiapilano.
